Attn: Kevin Jacobson

Re: Letter of Intent - Certificate of Recognition for Jacobson Engineering Services

This letter is to confirm that Jacobson Engineering Services is a member of the Alberta Association for Safety Partnerships. You have completed the mandatory training course, Partnerships Health and Safety Program Development, on March 22 & 23, 2010. We anticipate you will be ready for a Certificate of Recognition audit by March 2011.

Once we have received your audit, it will be subject to an independent Quality Assurance review process. After this process is successfully completed I will order your company a Certificate of Recognition (SECOR) from Alberta Employment and Immigration (AEI).

The SECOR will be valid for a period of three years from the date of the audit as long as yearly maintenance audits are conducted on your program and submitted to the AASP office.

Thank you for involving your company in the Partnerships program.

Sincerely

Jodi Stoddart
Association Administrator
